I have a dream today . . . I have a dream that one day every valley shall be exalted, every hill and mountain shall be made low. The rough places will be made plain, and the crooked places will be made straight . . . This is our hope. With this faith we shall be able to work together, to pray together, to struggle together, to go to jail together, to stand up for freedom together, knowing that we will be free one day . . . March on Washington, August 28, 1963.

"Only man is able to express the full paradox of his condition, the urgency of his private symbols—and above all else, the directness, the uniqueness, the concreteness of his being man, *this* man, and not anyone else. As against the many empty claims to knowledge that fill the air, *the single secret will still be man.*"

The Varsity Football team completed the 1967 season with the excellent record of seven wins and two losses. Bob Brodney, Bob Patnande, Vin Conner and Dennis Doolan turned in fine individual performances. Quarterback Richie Malony threw thirteen touchdown passes, Mike Forbes was All Scholastic and Captain Dave Brodney was All League Tackle.

But most of all the success of any team depends on the ability of the coach. This year Coach Schluntz was the recipient of the first Charles A. Lineham Memorial Award.
